Trip Description:

April showers bring May flowers...isn't that how the saying goes? It's certainly true in Texas, where the winter rains bring the beautiful wildflowers of spring. Around these parts, bluebonnets begin to bloom each March and reach their peak covering North Texas roadsides and pastures through April, depending on the unpredictable weather patterns also associated with our neck of the woods. It is during this time that many gardeners begin to imagine that sea of blue in their own home landscapes. If you've had that same thought, or maybe even tried to establish your own wildflower meadow with limited success, you might want to join us on the breath-taking adventure.

Trip Highlights:

**BRENHAM BLUEBONNETS * OLD BAYLOR PARK in INDEPENDENCE
LADY BIRD JOHNSON WILDFLOWER CENTER * WILDSEED FARM in FREDRICKSBURG
MARBLE FALLS * BLUE BONNET CAFÉ * ENNIS BLUE BONNETS**
