# PRE-TRIP CANCELLATION INSURANCE POLICY

## *Terms & Conditions*

**What is the CANCELLATION POLICY on “Motor-coach Tours” offered by American Tours?**

- **Travel Insurance:** American Tours STRONGLY RECOMMENDS the purchase of Travel Insurance. You may purchase Travel Insurance through another agency or purchase the Travel Insurance offered by American Tours.
- **Pre-Trip Cancellation Insurance (PTCI) offered by American Tours:** Pre-Trip Cancellation Insurance (PTCI) offered by American Tours provides peace of mind. We make it easy for you to book now and know you are covered – just in case. Despite your best laid plans, life sometimes gets in the way. Trips (planned and paid for weeks or even months in advance) are sometimes impacted by unforeseen and sometimes unavoidable obstacles such as illnesses, vehicle accidents, injuries, family situations ... the list is endless. With our “PTCI” in place, all that is needed is a phone call or email to our office prior to the day of your tour’s departure making us aware of your need to cancel. THAT IS IT!! No paperwork. No doctor’s note. No police report. No explanation. All that is required is a simple phone call or email. You are then able to give your full attention to whatever set of circumstances caused the cancellation. At the conclusion of the tour, a full refund check is mailed to your home address. For “PTCI” to be in place, it must be purchased at time of sign up. “PTCI” covers you if you have the need to cancel between the FINAL PAYMENT DUE DATE and the DEPARTURE DATE of the trip. These dates are different for each respective tour but can be found on each tours REGISTRATION FORM.
  - **Customer cancels PRIOR to “Final Payment Due Date”:** In this case, the purchase of “PTCI” does not come into the equation. The same policy will apply in this case whether the customer has our PTCI or not. The customer gets a FULL REFUND of all funds paid (including any funds paid for “PTCI”).
  - **Customer cancels AFTER the “Final Payment Due Date”:** In this case, the purchase of “PTCI” IS IMPORTANT in this equation. On the FINAL PAYMENT DUE DATE of the tour in question, the passenger’s funds are COMMITTED to the tour. If the passenger HAS PURCHASED our “PTCI”, no matter the reason for the cancelation, a REFUND CHECK will be mailed out at the conclusion of the tour minus the cost of the purchased “PTCI”. If the passenger HAS NOT PURCHASED our “PTCI”, no matter the reason for the cancellation, there is NO REFUND of any funds paid.

**What is the CANCELLATION POLICY on “Fly & Ride Tours” and “Cruises” offered by American Tours?** American Tours plans all our FLY & RIDE TOURS through THIRD-PARTY VENDORS such as Premier World Discovery (PWD) and Collette Vacations. For these types of Vacation Packages, the CANCELLATION INSURANCE offered is from the THIRD-PARTY VENDOR. It is their policy that is followed should you need to cancel your reservation. Each vendor offers their’ own TRAVEL PROTECTION and American Tours STRONGLY RECOMMENDS the purchase of such Travel Protection. At time of registration for a FLY & DRIVE Tour or a CRUISE, the potential passenger will be provided TRAVEL PROTECTION insurance information from the responsible vendor and given the opportunity to accept or decline such coverage. By registering for a FLY & RIDE TOUR and/or a CRUISE, the customer acknowledges that American Tours holds no liability or responsibility for any loss or expense incurred by the customer in connection with such tour.
